

Kingspan Tribune

Premium Quality Stainless Steel Tanks

Solar hot water for
a brighter future

20 Year Warranty*

Kingspan Tribune

Premium Quality Stainless Steel Tanks

Available with one coil, two coils or no coil

Hot Water Storage Solutions from Kingspan Group plc

Providing energy conserving and renewable building solutions on a global basis is one of Kingspan Group plc's main goals. Kingspan's range of sustainable building solutions are leading the way to cut energy consumption and carbon emissions in the building environment. Kingspan Tribune's range of Duplex Stainless Steel hot water solutions are a key part of this mix.

Duplex Stainless Steel - Peace of Mind

Duplex stainless steel has a superior strength-to-weight ratio compared to glass-lined steel. The Kingspan Tribune typically weighs less than half that of an equivalent glass-lined steel unit.

Materials

- Inner shell - Duplex stainless steel.
- Coil - 0.87" diameter - stainless steel.
- Bosses - stainless steel.
- Every Tribune is water tested to a pressure of 218psi.
- 90% of new stainless steel comes from old re-melted stainless steel.

Insulation

- Fire retardant polyurethane foam, nominal thickness 2".
- The foam is CFC-Free and HCFC-Free.
- The foam has an Ozone Depletion Potential of ZERO and a Global Warming Potential of ONE.

Casework

Zintec corrosion proofed steels throughout. Durable, stove enameled, gloss white paint finish.

Anode

None fitted/none required.

Quality Performance from Kingspan Tribune

- Available in 60, 80 and 119 gallons
- All tanks manufactured to the highest US standards
- Duplex stainless steel for ultimate peace of mind
- **20 year warranty***
- The heat exchangers are the coil in coil type providing a more efficient transfer of heat
- The lower exchanger is positioned close to the bottom of the tank to reduce the risk of Legionella
- Fast reheat and high insulation value resulting in high efficiency

Capacity	Height	Diameter	Weight (Empty)	Weight (Full)
60 Gallons	58"	22"	110lbs	573lbs
80 Gallons	80"	22"	143lbs	805lbs
119 Gallons	61"	30"	187lbs	1180lbs
